

# Ph.D. Admission Examination 2023

## Institute for Advancing Intelligence

### **Instructions for Written Examination**

1. There will be 16 questions in three groups (4 + 6 + 6 = 16). Each question is of 20 marks.
2. Each candidate needs to answer five questions, of which they should answer at least two from Group A.
3. If a candidate answers more than five questions, we will consider the top 5 marks (including the marks of at least two questions from Group A).
4. Students will be subject to disciplinary action for violation of examination rules or for improper behaviour in the examination hall.
