

This is to certify that

SOURAV BHADURI

TCG Centres for Research and Education in Science and Technology,
Kolkata, India

has been awarded the Access Grant of up to EUR 10,000 (ten thousand Euros) as part of the Imaging 4 All funding programme, financed by the Wellcome Trust (UK) and administered by Global BioImaging - European Molecular Biology Laboratory, EMBL (Germany).

This grant supports a scientific research visit to
Centre for Pre-Clinical Imaging, University of Liverpool, United Kingdom,
hosted by Prof Harish Poptani and Dr Mohesh Moothanchery.

This award may be used to cover travel, accommodation, daily meal, visa expenses, and fees incurred as part of the research activities at the hosting institution.

Dr Deniz Saltukoglu
