Acknowledgement

First and foremost, we express our sincere gratitude to the Founder and Chairman of TCG CREST, Dr. Purnendu Chatterjee for his vision, trust, and unwavering commitment towards building an institution dedicated to advancing sustainable research in energy conversion and storage.

We extend our heartfelt appreciation to our former Founding Director, Sabyasachi Bhattacharyya, along with Swapan Bhattacharyya, and our present Mentor and officiating Vice-Chancellor, Malabika Sarkar, for their continuous guidance and leadership in shaping the laboratory into a world-class research ecosystem.

We are also deeply grateful to the administrative leadership team — Suprakash Das, Anirban Chakraborty, Anubrata Chakrabarti, and Ayananshu Banerjee — for their steadfast support across financial, operational, managerial, and collaborative initiatives, including institutional partnerships, NDAs, and MOUs.

We further acknowledge the invaluable contributions of the broader administrative and support teams — Pradipta Bhattacharya, Moumita Paul, Sohini Routh, Sarbajit Chatterjee, Nachiketa Maity, Sourav Mukherjee, Dibyendu Roy, Dipankar Bhattacharya, and Debojit Mitra — whose continued assistance across procurement, logistics, travel, shipping, and institutional operations has been instrumental to the functioning of RISE.

We must appreciate the contributions of our research support staff – Sukanta Mandal, Niloy Bhaumik, Abhijit Garai, Partha Protim Biswas and Pradip Bhunia for providing technical supports in XPS measurements, SEM imaging, civil, electrical and gas related research activities.

Finally, we extend our special thanks to Ms. Anuja Sinha Chowdhury for transforming this manuscript into a polished publication through her work on the cover design, visual identity, interior layout, typography, and overall editorial presentation.

Inventing Harmonious Future

(Deemed to be University *u/s 3 of UGC Act, 1956)*

TCG CREST is recognised as a Deemed to be University in the 'Distinct Category —Research' by the Ministry of Education and the UGC, Government of India.
